

# Serve in Paradise

Come help kids on America's most beautiful island! Your group will serve American children in desperate need here in Puerto Rico. Your class will connect with a sister school and mentor them throughout the school year. In the spring, you and your classmates will fly to PR and serve these kids in person. This trip is hosted by Tech My School Inc a non profit educational consultancy and philanthropy company. Tech My School's mission is to empower students and educators by better leveraging technology in schools.

TECH MY SCHOOL

IMPROVING SYSTEMS. BUILDING CAPACITY. EMPOWERING STUDENTS

## The Island Needs You!

Come join us and help a generation of under privileged American students who have been left behind by natural disaster, mismanagement, and corruption. With your help we can make a HUGE impact on local American citizens here in Puerto Rico. On this adventure you partner with impoverished local schools, help kids learn tech, and experience the natural wonders of the island. See inside for more details.

# One week of service, many lives changed forever

## The Service Goals

- Partner with a local Puerto Rican school and mentor students throughout the school year.
- Raise money to buy technology for poor schools in Puerto Rico.
- Come to Puerto Rico to teach the kids and teachers how to use the donated tech and more!

## The Exploration Goals

- Swim in a jungle waterfall
- Kayak the Bioluminescent Bay
- Snorkel with tropical fish
- Walk the ancient Spanish fortresses
- Try a new cultural cuisine
- Discover the best beaches in the Caribbean
- Practice your Español with native speakers

## Quick Facts About Puerto Rico

- Puerto Rico is America! Everyone on the island has a social security number, are eligible for a US passport, and can move between states.
- PR uses the dollar, has the USPS and the National Park Services.
- Puerto Rico has Costco, Walmart, and nearly every other chain store.
- The locals speak Spanish & English
- 97% of the population identify as Christian
